## PROFESSIONAL EXPERIENCE

---

**Host and Food Runner**, Gather Maine, Yarmouth, ME

June 2022 - August 2024

- Worked as a team player throughout each shift to make sure that the kitchen and front-of-house staff were well supported to do their best work.
- Prioritized attention to detail and warm service to ensure that each party had the great customer experience they expected

**Research Intern**, Maine Policy Institute, Yarmouth, ME

May 2024 - June 2024

- Analyzed the land use codes of several municipalities and researched the relevant literature on the economic impact of various housing policies, contributing to a longer research report
- Wrote an op-ed that was published in a state-wide paper highlighting impacts of local policy

**Volunteer Translator and General Assistant**, Hope Acts, Portland, ME

June 2022 – August 2023

- Ensured that local asylum seekers got the help they needed by being their first point of contact at the organization, directing them to other relevant staff members, resources, and helping to set up appointments
- Utilized French communication skills to translate for asylum seekers to other members of the organization, ensuring their situations were fully understood

## LEADERSHIP EXPERIENCE

---

**Community Engagement Fellow**, Waynflete School

September 2023 – June 2024

- Organized events to encourage fellow students to engage in their communities, such as voter registration drives as well as a panel and discussion on gun policy in the wake of a state tragedy

**Co-Captain**, Waynflete Cross Country Team

September 2023 – June 2024

- Encouraged excellence by example, leading the team to a strong performance at the state race
- Earned Coach's Award for my performance as a team player and captain

**Co-Captain**, Waynflete Nordic Ski Team

November 2023 – February 2024

- Mentored younger members of the team and served as a key aide to the coaches in keeping everything running smoothly
- Earned Coach's Award for my display of leadership and work ethic

## SKILLS

---

**Proficient:** Python, Java, Microsoft Excel, Microsoft PowerPoint, Microsoft Word, French
